

ICDAM-2026
7th International Conference on Data Analysis and Management

*Organized by London Metropolitan University, London, UK (Venue Partner)
in association with*

WSG University, Bydgoszcz, Poland, Europe

&

Portalegre Polytechnic University, Portugal, Europe

&

SGGW Management Institute, Poland, Portugal

Date: 12th – 14th June 2026

******* CALL FOR PAPERS *******

SPECIAL SESSION ON

[AI-Driven Data Analysis and Smart Management Systems]

SESSION ORGANIZERS:

<p>Prof. (Dr) Payal Bansal Professor in Department of ECE Poornima Institute of Engineering & Technology, Jaipur Rajasthan payal.bansal@poornima.org</p>	<p>Dr Ashish Khanna Professor in the Computer Science and Engineering (CSE) Department Maharaja Agrasen College. (University of Delhi) ashishkhanna@mait.ac.in</p>
--	--

EDITORIAL BOARD: (Optional):

[Name, University or Organization, Country, e-mail]

SESSION DESCRIPTION:

[This session focuses on the application of Artificial Intelligence (AI) and advanced data analytics techniques for intelligent decision-making and smart management solutions. It will cover machine learning models, predictive analytics, big data processing, and real-time monitoring systems for efficient resource optimization. The session also explores AI-enabled automation, IoT-integrated smart systems, and data-driven strategies for improving operational efficiency across industries such as healthcare, manufacturing, smart cities, and education. Participants will gain insights into emerging trends, practical implementations, and future research opportunities in AI-powered management systems.]

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

1. **Machine Learning and Deep Learning for Data Analytics**
2. **Big Data Processing and Predictive Analytics**
3. **AI-Based Decision Support Systems**
4. **Intelligent Resource Allocation and Optimization Techniques**
5. **IoT-Integrated Smart Monitoring Systems**
6. **Real-Time Data Analytics and Edge Computing**
7. **AI for Smart Cities and Urban Infrastructure Management**
8. **Automation and Intelligent Process Management Systems**
9. **Explainable AI (XAI) and Ethical AI in Management**
10. **Cybersecurity and Data Privacy in AI-Driven Systems**

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on [**AI-Driven Data Analysis and Smart Management Systems on or before 30 Feb 2026**] . All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at <https://icdam-conf.com/downloads> . All submitted papers will be reviewed on a double-blind, peer-review basis.

NOTE: While submitting a paper in this special session, please specify [**AI-Driven Data Analysis and Smart Management Systems**] at the top (above paper title) of the first page of your paper.
